

MR. PHOMPASITH SISANONH

FINANCE & FULL STACK WEB DEVELOPMENT

Hello, my name is Mr. Phompasith Sisanonh, and I am 23 years old. I graduated with a Bachelor's degree in Finance from the Banking Institution between 2020 and 2024. Currently, I am working at Chusheng Laos Company Limited since 2024 to the present. I possess skills in technology, including basic coding with Python, the use of Power BI, and version control with Git and GitHub. Additionally, I use React.js and Chart.js to develop front-end interfaces, while employing Node.js, Express.js, and MongoDB for back-end development and database management
